

VINEYARD OAKS SELECTED

RED WINE

Vineyards and Terroir

The grapes come from our vineyards located in Villa Alegre, 285 km south of Santiago, in Maule Valley. This place has a Mediterranean-like climate, where the winter rains are normal and the summers are dry, with marked range of temperatures between day and night. This allows the grapes to get ripe tannins, as well as excellent aromas and color concentration. Soils are a combination of sand and volcanic ash and the flat terrain gets and superb sunlight expositio

Vinification

The red grapes were harvested at the end of April. The must is fermented in stainless steel tanks, with selected yeasts, at temperatures ranging from 26° to 28°C for a period of seven days. Before bottling, the wine is stabilized and carefully filtered to keep all the fruit

Notes From Our Winemaker

Our Red Wine is a delicious blend of strawberries and plums, perfectly intense. Explore fresh and intense flavors of red fruits. Its tannins are sweet and velvety. It has a long and lingering finish. Ideal as a company for roast red meats, pasta with sauces and fresh cheese

Recommended Serving Temperature

Serve between 14°C - 16°C

Alcohol

12,5°
